---	--	--------------------

SUMMARY

CSE student with hands-on experience through internships at Infosys Springboard and Lotus Educare Academy. Skilled in frontend development, database design, and real-world project building including AI and IoT systems. Eager to contribute in software development environments with a strong focus on learning and problem-solving. Actively building strong fundamentals in software engineering while continuously expanding skills through practical learning.

SKILLS

Programming: Java, Python, C, C++, JavaScript, PHP
Web Development: HTML, CSS, JS, Bootstrap, React (Beginner)
Databases: MySQL, MongoDB, Oracle, SQL Server, ERD, Schema Design
Tools: Git, GitHub, VS Code, Postman, Android Studio, Flask (Basic)
Soft Skills: Communication, Teamwork, Documentation, Adaptability

EXPERIENCE

Infosys Springboard — Software & UI Intern (Dec 2024 – Feb 2025)

- Designed UI modules and created technical documentation including architecture, ERDs, and flow diagrams.
- Developed MySQL schemas, wrote queries, and assisted in API integration with frontend components.
- Coordinated frontend-backend alignment to ensure smooth and consistent project delivery.

Lotus Educare Academy — Frontend Intern (Jun 2024 – Jul 2024)

- Built responsive UI screens using HTML, CSS, JavaScript, and Bootstrap for improved user experience.
- Enhanced navigation flow by refining and optimizing key UI components.
- Assisted with testing, debugging, and supporting basic backend integration tasks.

PROJECTS

- Smart Traffic System** — YOLO, OpenCV, Flask, MySQL
- IoT Smart Waste Manager** — ESP32, Next.js, MongoDB, Socket.io
- Blog Website** — Basic Web Development, PHP, MySQL
- To-Do App** — HTML, CSS, JS

EDUCATION

B.Tech CSE[IoT, Cyber Security including Blockchain Technology] — SIGCE, Navi Mumbai (2025–Present)
Diploma in Information Technology — BVIT, Kharghar (2022–2025) – **Aggregate:** 86.50%
Senior Secondary (CBSE) — Amrita Vidyalayam (2010–2022) – **Score:** 83.19%

ACHIEVEMENTS

- Finalist — Selected among the top 100 projects at the CIIA-4 Project Showcase 2025.
- 2nd Prize — Secured second place in the Java Programming Quiz conducted by IoTECH Club.
- Featured Final-Year Project — Recognized by BVIT’s Startup & Innovation Cell for project excellence.
